An Environmental Perspective

CARE Annual Conference
May, 2005

Howard M. Elder
J&J Industries, Inc.
End of Life Recycling

- J&J wants to build relationships with viable partners in the field of reclamation and recycling.
- We participate in:
  - Honeywell 6ix Again® and Expansion Program
  - Solutia’s Partners for Renewal®
  - Invista’s Carpet Reclamation Program
Recycled Content

• Recycled Content Range:
  - J&J Commercial: \(20\) to \(42\)
  - Invision Carpet Systems: \(21\) to \(49\)
  - Nexus Modules: \(13\) to \(17\)
J&J Plan:

Promote the Development & Use of Life Cycle Assessment
Specific Actions

- Help develop Wizards to make LCAs easier for manufacturers
- Work on Sustainable Carpet Standard which promotes the use of LCAs
- Provide technical information to establish baseline LCAs (Drs. Overcash & Realf)
Specific Actions cont’d:

• Work to have LCA information incorporated into LEED Programs.

• Help build consensus among ISO participants on the development of LCA methodology.
