A Different Way To Think About Buying and Selling Materials

(in 600 seconds)
Netflix (and Redbox)

"Houston, we have a problem." Jim Lovell
Technology is Changing the World
Defining “Market Technology”

Market Technology:
“Applying knowledge to facilitate the buying and selling of products”
CRM = “Customer Relationship Management”
WARNING

IF SOMEONE THROWS A KNIFE AT YOU
What could you do with twice as many meaningful sales connections?
Thank you!
