ReEntry
The Interface Carpet Reclamation Program

C.A.R.E. Annual Conference
Callaway Gardens
May 9-12, 2005
The ReEntry Program

- Managed by IFS Sustainable Services Group
- “One Stop Shop” philosophy
- Carpet identified & disposition determined prior to removal
- Single handling and transfer reduces cost and environmental footprint
Where Does It Go?

• Repurpose
  – Cleaned, shipped directly to donation site

• Recycle
  – Backing separated and remanufactured into GlasbacRE® carpet backing

• Downcycle
  – Converted to lower value product, i.e. padding, soil amendment, etc.

• Waste-to-Energy
  – Electricity or steam
